POMPANO BEACH

Amy’s garden cottage

Welcome to Pompano Beach. Here, a day can start with bare feet in the garden and end with a walk along the Atlantic, just two blocks from the cottage.

On arrival

Leave room in your beach bag

Pack your swimsuit and a book. The cottage already has beach chairs, an umbrella and a cooler for a day on the sand.

Take your coffee outside

Once you’ve set down your bags, pour a cup in the kitchen and take it to the courtyard. There’s seating beneath the palms.

Find the water

For a first look at the coast, leave the car parked and walk to the beach. From the sand, look for the sails above Fisher Family Pier.
