On arrival

Find the loft

Facing the building from the street, look for the two-story loft on the left. Open your Airbnb reservation for your entry details.

Park in the main driveway

The loft has two free spaces in the main driveway. Please leave the side driveway clear for the owner's vehicles.

Choose your sleeping space

The bedroom has a king bed and its own bathroom. For a second sleeping space, the living room sofa opens into a queen bed.

THE BALCONY LOFT

The main-house guests also use the pool and backyard. The balcony is yours. Please message us before changing the heater or using pool equipment.

Before lighting the grill

There's a separate $25 grill-use fee. Send us a message if you'd like to use it during your stay.

Keep the loft smoke-free

Please keep indoor spaces smoke-free and outdoor conversations quiet for the neighboring unit. Parties aren't permitted.
