JUNE 2026 · THE BALCONY STAY

> *"Love the bed and upstairs balcony!"*

Tracee called out two details in her June review of a Grimaldi stay. One was the bed. The other was the upstairs balcony. A comfortable night indoors and a place to step outside both earned a mention.

From Tracee's public guest review, June 2026.

MAY 2026 · THE BACKYARD STAY

The backyard *stayed with her.*

> *“Modern and beautiful backyard! Well-stocked!”*

A different Grimaldi home gave Tracee another reason to return. Her May review singled out the renovation, the backyard and how well the home was stocked.

A note to Grimaldi

Thank you for the stays worth returning to. This illustrated keepsake pairs two memories from Tracee’s public reviews.
